Sir:

This is supplemental to the response filed June 10, 2003, and is being filed in order to enter into the case the declaration under 37 CFR 1.131 of Yoram Bronicki, the third inventor. If an additional extension of time under 37 CFR 1.136(a) is required in order for entry of this amendment, Applicants herewith request such an extension of time and authorize the Commissioner to debit deposit account no. 14-0112 for the fees commensurate therewith.

In view of the following remarks, and the remarks included in the previous response, the Applicant respectfully requests the Examiner to reconsider and withdraw the outstanding objections and rejections and allow all claims pending in this application.
